GIRLS AT PLAY

Before the cameras started rolling, I began to lick Sammie's pussy. There were several men around the room, like the photographer, his assistant, the house owner and more, and that proved to be an even bigger turn on for me. I had never eaten out a woman in front of this many men before. Now we get to show them what I can do. Maybe one or two will join us after we finish each other.

I had not done a boy-girl photo shoot in a long time so I was pretty horny when this one came around. I abstained from hetero-sex for three weeks, which is a long time for me. I was so jazzed up when his tongue first touched my clit, I exploded! Then my pussy was finally fucked and I think I came four times.

Routine Maintenance

Pretty please with sugar on top . . .

Megan's words stayed with Chip long after she had said them, pinging around inside his head as he drove her car to the carwash. He had just planted himself in front of the TV to watch a baseball game when she had turned on the charm, which he had never been able to resist. Wash your own damn car, he had thought with much annoyance. But he had kept his mouth shut; last thing he wanted was a heated argument.

He hated to admit it, but Megan had him pussy-whipped. Otherwise, he would have been enjoying the game while guzzling a few cold ones.

Instead, he thought grumpily, I'm fighting traffic enroute to the Jiffy Wash N Go. Granted, things could have been worse. At least he wouldn't have to get out of the car. The local Jiffy was one of those automated, drive-thru joints. Stick your card in the slot and let modern machinery do the rest. Piece of cake.

In a perfect world, anyway.

Unfortunately, today was proving to be anything but perfect.

Chip frowned when he arrived at the carwash to find the place closed for routine maintenance.

"Shit!" He banged his hands against the steering wheel. "Of all the

rotten luck!"

He sat there stewing behind the wheel of his girlfriend's car. What now? Well, he would just have to drive to a different carwash on the other side of town.

"So much for a quick trip," Chip muttered to himself. "Nothing is ever easy . . ."

He wheeled out of the Jiffy parking lot and drove to the nearest convenience store where he bought a 22 oz. beer. He needed a bracer for what was shaping up to be a crappy Saturday.

Returning to Megan's car, he cracked open the paper bag-wrapped can and took a hefty pull.

"Aaaahhhhhh."

The beer was cold and good. Just what the doctor ordered.

Chip was about to pull away when a neon pink flyer taped to the glass door caught his eye. CARWASH, the flyer read. Chip smiled. He couldn't get out of the car fast enough to read the smaller print. He was in luck! The carwash was today! Even better, it was only a few miles away!

The cheerleading squad at a nearby community college was holding the event to help raise money for a worthwhile charity. Good for them, Chip thought as he climbed behind the wheel and keyed the ignition.

It was a hot summer day. Classes would be starting in about two weeks. No doubt the cheerleaders were looking forward to the forthcoming semester. Chip had fond memories of his college days. Boy, did he ever! A four-year party. Keggers and plenty of pussy.

A long time ago, Chip mused. Well, not really. After all, he was only twenty-eight.

He drove the short distance and chugged his beer. Megan would be pleased. Her car would shine like new.

No sooner had Chip finished his beer than he pulled into a parking lot congested with cars and hard-working cheerleaders. The line of cars was long, but the pleasant scenery more than made up for this.

"Damn," Chip remarked, "look at the tits on her . . . and that ass . . . man, what I wouldn't give . . ."

The cheerleaders had dressed appropriately for the exceedingly wet work; they wore bikini bottoms and T-shirts, each and every one. For this reason, Chip no longer cared about the long wait. In fact, he welcomed it with open arms. The longer, he reasoned, the better.

He was surrounded by eye candy of the sweetest variety. And lots of it. Sitting contentedly in Megan's car, the

engine idling, he enjoyed the spectacular view. Blondes. Brunettes. Even a redhead. Athletes. Toned legs. Tight butts. Perky tits. Watching them scrub car after car—all that taut, wet flesh glowing in the sun—did a number on Chip, a seriously good number.

His dick was harder than a ballpeen hammer. He needed to rub one out very badly. Otherwise, he would be looking at a serious case of blue balls. And that was no fun, no fun at all.

But what was a guy to do?

His response was totally normal. The scantily clad cheerleaders were smoking hot. And wet. They smiled and laughed and joked amongst themselves, all the while laboring with a seemingly endless supply of energy.

Chip hadn't known Megan when she was their age. But he had seen pictures, plenty of them. His girlfriend had never been that good looking. Still, Megan had many fine qualities. She gave really sloppy blowjobs. And she liked the occasional three-way with him and her best friend Gigi. All this to say that Chip could have done a hell of a lot worse than Megan.

"Five dollars," the exuberant redhead told him when it was finally his turn.

Chip gave her the cash, rolled up his window, and waited patiently

while the cheerleaders washed Megan's car. His position in the driver's seat afforded him a stellar view of a tall brunette as she washed the roof. Her knockers pressed against the passenger side window, making his dick even harder.

He thought about whipping it out and jerking off right then and there. Soap suds coated the windshield and side windows, effectively concealing him from view. And the cheerleaders were far too busy washing the car to even notice what he was doing. Still, he rejected the idea as too risky, too sleazy.

Some twenty minutes later, Megan's car sparkling in the sun, Chip sped home to find an Italian racing bicycle propped on the porch. Gigi's bicycle. He grinned like a crocodile. More often than not, a visit from Gigi meant seriously good times.

Chip opened the kitchen door. "I'm home." He placed Megan's car keys on the counter and went to the living room. Megan and Gigi were sitting on the couch. The TV was off. He smelled pot. Gigi always had good stuff.

"It's about time," Megan said. "What took you so long?"

"The carwash was closed."

She frowned. "Closed?"

"Routine maintenance," Chip explained. "It's okay. Some cheerleaders were holding a carwash to raise money. They did a great job. Your car looks fantastic."

Megan's face lit up. "I want to see." She started to get off the couch.

Gigi stopped her, placing a hand on her friend's thigh. "Later," she said, smiling coyly at Megan.

Chip had seen that smile before. It meant two things. Gigi was high. And DTF. Megan looked thoughtfully at her friend, then regarded Chip. "We're stoned," she stated the obvious, "and horny."

"Very horny," Gigi added.

Chip's dick was still hard from his visit to the carwash. He needed a place to put it. A warm place. Warm and wet and tight.

"Looks like I came home just in time," he stated before taking off his clothes.

Megan and Gigi did the same, disrobing hastily before colluding on the couch. Chip stood beside the coffee table, his cock in hand, and enjoyed the show. Megan lay there, her slender legs spread, while Gigi went down on her. Gigi's dark hair was close cropped, her skin creamy alabaster, her tongue highly proficient in the art of cunnilingus. She serviced her friend to new

heights of excitement.

Chip felt a pang of jealousy. No man, he was convinced, could eat pussy like a woman. They knew things, mysterious things. Maybe one day Gigi would give him a tutorial, teach him her secret.

Gigi was short, her thighs thickly muscled from hours on the bicycle. Her ass was compact and firm. She raised it while licking Megan's clit. Chip got on the couch behind her, his knees sinking into the cushions, and guided his swollen glans up and down her wet slit.

This turned Gigi on, prompting her to withdraw her mouth from Megan's pussy. "Stick that big hard cock in my cunt," she said over her shoulder.

"Gladly," Chip replied.

He plunged inside her, burying his dick to its thick base. Gigi grunted, then resumed eating Megan's twat. Chip thrust repeatedly, pounding Gigi's pussy with fierce jabs. He held her hips with both hands, ramming her from the rear, ramming and cramming and giving no quarter. Gigi wouldn't have wanted it any other way. She liked to be fucked hard, liked to be sore for days after receiving a thorough reaming.

Chip kept right on banging Gigi's juicy box until she switched places with Megan. Now he fucked his girlfriend in the same manner, driving into her cunt while she went down on Gigi. The new arrangement enabled him to look at Gigi's tits while he screwed Megan. She had a nice pair. Big and white with oversized pink areola. He had fucked them before and was itching to do so again.

No time like the present, Chip thought. He pulled out of his girlfriend's pussy and padded to the other end of the couch. Savvy of his intentions, Megan stopped eating Gigi so that her friend could move into position for a good and proper tittie fuck. Far from feeling left out, she leaned back, opened her legs, and played with her pussy while Chip straddled Gigi's midsection and slid his cock between her sizable jugs.

He pumped his shaft up and down, delighting in the soft warmth of her ample cleavage. Gigi pressed her tits together, creating a snug crevice for his cock. She thought about spitting on his engorged glans but decided not to. There was no need. His dick was plenty lubed from having poked two pussies.

It was also on the brink of explod-

ing.

Chip groaned and slid out.

Standing in front of the couch, his face twisted with impending release, he shucked his throbbing prick three times before it detonated.

Megan's face was coated with cum. Gigi's too. Lots of cum. Buckets of the stuff.

They got dressed and smoked a bowl of Gigi's good dope. Then the girls followed Chip out on the porch to see Megan's car. Chip's girlfriend was impressed.

"Wow," she said. "Those cheerleaders did a great job. My car looks fantastic."

"I knew you'd like it," Chip said.

"Thanks, baby. I really appreciate it."

Gigi said goodbye and started pushing her bicycle down the driveway.

"It would be a lot faster if you actually rode the bike," Megan said jokingly.

Gigi paused in midstride and looked at her friend like she had lost her mind. "Are you nuts? Your boyfriend fucked the shit out of me. I won't be able to ride this thing for a whole week!"

BLAIR-NTS-00

Two such students are Caitlin and Macie. They would always come into the hall together, sit together and took profuse notes.

My Very Best Students

I'm writing to you because there aren't too many outlets for us men to tell about our adventures. Well, our sexual adventures anyway. And I think I have a good one. My story is about something that happened last weekend. Before I get into it, I'm an adjunct professor at a midwestern university. My main responsibility is to lecture students rather than be more interactive in their studies. I speak in a rather large auditorium to a bunch of faceless, bored twenty year olds. However, every once-in-a-while a few students actually show an interest in the material and that's reinvigorating.

Two such students are Caitlin and Macie. They would always come into the hall together, sit together and took profuse notes. I could tell they had a real interest in what I was saying. They even stayed after class several times to discuss that day's topic in further depth. Macie was the more flirty one and she was always smiling. Caitlin was more studious and asked most of the questions. I don't know if they were roommates, best friends or even lovers. And it didn't matter to me.

Three pm on Friday is the last lecture of the week and these two come down to my podium and invite me for a drink. I blushed, and hesitantly agreed. We went to a sports bar off campus and ordered drinks and wings. I found the two girls to be fun and quite aware. We talked about the football team, other faculty, and believe it or not, sex. They were very inquisitive, asking me about my past relationships (I'm not married any-

more) and when was the last time I had sex. The booze made it a little easier to answer and I told them it had been almost a year. They asked if I masturbated and I told them I did. I asked if they were taking this information for a school project and they looked at each other and giggled. Simultaneously, they said "No."

We were starting to get a little sloppy drunk when Macie said that I lived too far away to drive and we could walk over to her apartment. I don't remember the walk over to her place, but we got there okay and within a half hour we all were squeezing into Macie's small bathroom for a hot shower. Caitlin and I had to lead Macie by the hand since she was still woozy. The hot shower was wonderful with the three of us taking turns cleaning one another with sponges, and our tongues. Both girls were really enjoying the hot water as it washed away make-up and the day's grime. I watched their wet, sexy bodies in complete awe. I couldn't resist pulling them in for some deep kissing. This led to all of us caressing, kissing and licking one another in a flurry of steamy, passionate cleansing sex.

The girls were quite anxious to see if they could get my 32-year-old cock harder, so they told me to just watch as they started by kissing each other under the shower. Then they began to press their wet, hot bodies together. Their breasts were soapy as they squished and slid together with more passionate kissing with wet tongues pressing erotically together as the water ran over them. I watched as

Caitlin whispered something in Macie's ear and then they both dropped down to their knees in the cramped shower.

Macie reached down and grabbed Caitlin's gorgeous ass and pulled her hips hard against her own. They both moaned as their wet pussies collided and the shower's steam billowed around them.

Caitlin wrapped one of her legs around Macie's waist as she pulled her closer into her while they French kissed and ground their pussies together. Through their steamy lust, Caitlin and Macie noticed that I wasn't very hard. Caitlin whispered something in Macie's ear and then they both dropped down to their knees in the cramped shower. These two were so determined to get me stiff so they started washing me below the waist with their excited hands and eager mouths.

At one point, Macie was bobbing her head on my dick while Caitlin was full-on licking my asshole. It felt unbelievably awesome and delightfully dirty but my cock wasn't getting up again in any hurry. We spent a good half hour more in the shower, but eventually, the water began to grow cold, and we were forced to retreat back to Macie's bed where we resumed our playing. After a few minutes my cock was rock hard but I was so exhausted by then that I just lay back on the bed and let them take turns sucking me off. I knew it would be a very long time before I would cum so I closed my eyes and enjoyed the hot mouths.

Then I heard a soft whisper in my ear, "I want your cock inside me." I opened my eyes and Macie's face was next to mine with her big eyes

waiting for my response. I looked down at my cock and Caitlin was looking up at me with it in her mouth keeping it hard for her girlfriend. My cock throbbed and grew almost another inch in her mouth in anticipation. She gave the tip a big kiss and sat up. Caitlin was watching intently waiting to see what I was going to do, so I grabbed Macie by her hips and pulled her to the edge of the bed. I grabbed hold of my pulsing rod and used the tip to tease her pussy, rubbing it along her glistening, dripping outer lips.

Caitlin scooted down to get a closer look at the action and put her face closer to Macie's sweet slit. Using her tongue, she swirled it around the tight opening and then slid it over Macie's shiny pussy and started flicking her tongue it. Both girls seemed to be enjoying themselves as they both panted hard with extreme arousal. My tip made contact with Macie's opening and slowly pressed my massive, throbbing cock against her incredibly tight opening. I felt her inner-vagina lips part and fold around my raging member. I pushed it in and both girls moaned.

She rode me like an out of control cowgirl and had to grab hold of Caitlin to balance herself. I pull Macie's body down on top of mine and Caitlin gets behind us. I feel her hand playing with my balls and grabbing hold of my cock and tightening her fist around it. Macie climbs off me and lays back. Caitlin immediately attacks her pussy licking my cum as it oozes out of Macie. Then we hit the shower again.
